The rear wall panel, carcass, drawers and panel shelves can only be fitted between two basic wardrobe units. They must be ordered separately as colour combinations are possible. At least one set of panel shelves is essential for fitting the rear wall panel. One panel shelf is essential as the top end unit when fitting the horizontal passepartout frame.

Please also note the functional and high-quality wardrobe interior fittings from now! flex on pages 36-37!

Lighting

Remote control for LED lamps possible, see page 46!

Top LED lamp; 12 V; fitted on wardrobe; required assembly height: 4.6 cm

Note: A footswitch is essential for the mains connection. If several LED top lamps are to be connected with one another, still only one footswitch is necessary (allowing for the max. watt data). Order one footswitch for each circuit required. The footswitch includes a lead and mains plug.

Note: A footswitch is essential for the mains connection. If several spotlamps/sets of lamps are to be connected with one another, still only one footswitch is necessary (allowing for the max. watt data). Order one footswitch for each circuit required. The footswitch includes a lead and mains plug.
